Hi Anna, Just catching up on Admin and realised that I had not sent you a testimonial about your pork - really sorry for the delay, and hope taht this can be of some use.

As a raw product, Anna's pork is lovely to handle: well butchered, dry and has superb fat and skin.

Chef's rave about Anna's pork, and rightly so, it is superb.

Juicy pork at it's crackling best

Looking forward to coming over to talk ham and bacon - currently in Scotland cooking way up in Glen Esk, but will be home in three weeks time so will be in touch then.

With best wishes, Gerard Baker
